I'm so tired of making coffee at home...it never tastes the same as it does from a café

Maybe that's why I should go to Fenyk Coffee and Social. . .

Fenyk isn't just a café, it's a social hub for friends, family and community...

Fenyk stands out for their Specialty Mochi donuts, artisan sandwiches, and their innovative drink menu. They always have something new to try.

Two locations. . . . Located at Winsport Athletic Park and Northland Village Mall.
